

# Creation: How the World began

GENESIS 1:1 - 2:25

Today in class I learned what the Bible says about...

# Creation:

## How the World began

Genesis 1:1 - 2:25

- In the beginning, God created the heaven and the earth out of nothing, by speaking it into existence.
- In six days, God created light (night and day), the seas, sky, dry land, sun, moon, stars, and all the plants and animals.
- On the sixth day, God created man and woman.
- After each day, God said that what He had created was good.
- When God finished, He said that everything was very good. God rested on the seventh day.

## QUESTIONS YOU CAN ASK ME

### What does the Bible say:

- What did God make first?
- What did God make last?
- How many days did it take God to make everything?
- What did God do on the seventh day?

### What does it mean:

- Can you make something from nothing?
- Can you make a world just by saying so?

### What does it mean to me:

- Who is the only person who can make something from nothing?
- Why can't any other person do this?
- What does that tell us about God?

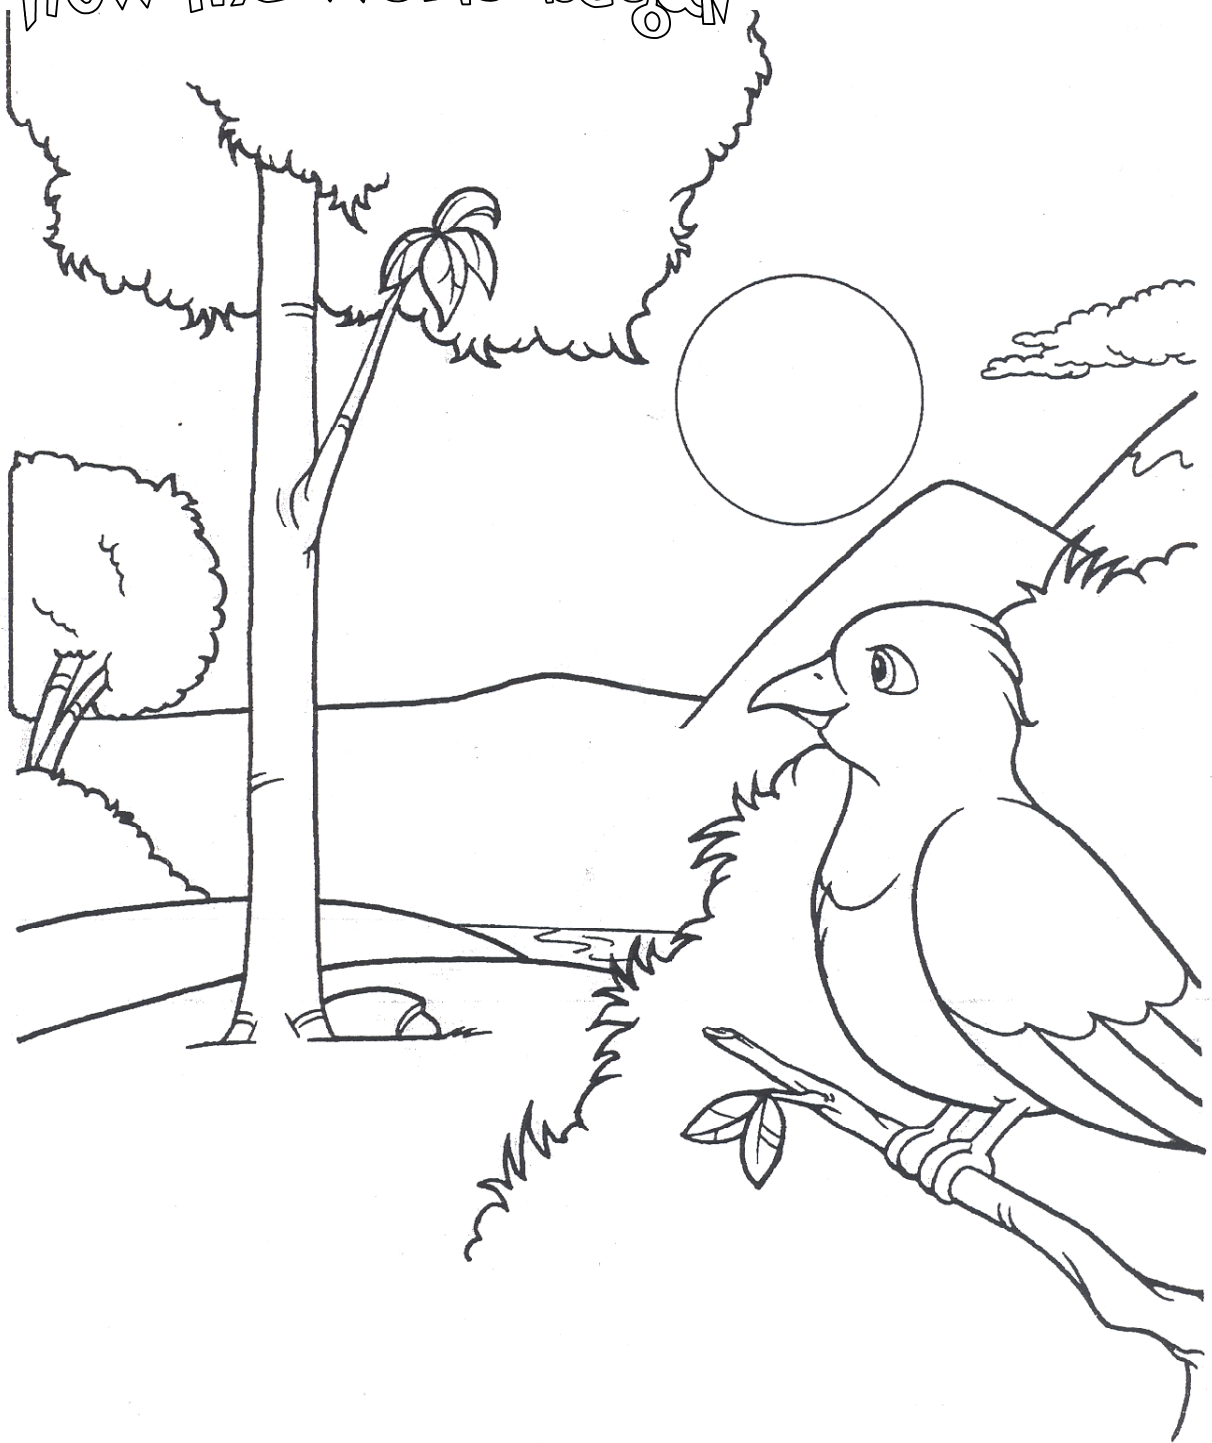

## MY MEMORY VERSE

"In the beginning God created the heavens and the earth."

Genesis 1:1

JESUS LOVES \_\_\_\_\_

# Creation: How the World began

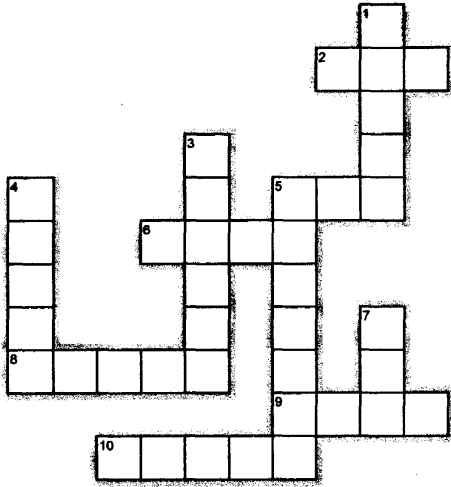

“In the beginning God created the heavens and the earth”

*Genesis 1:1*

# THE LORD GOD MADE IT ALL - CREATION
