

David and Goliath

I SAMUEL 17:1-52

Today in class I learned what the Bible says about...

David and Goliath

I Samuel 17:1-52

- Jesse sent David to take some food to his brothers who were in Saul's army. When David got there, a giant named Goliath came from the Philistines and challenged them to send a man to fight him, but no man would go.
- David told Saul that just as he had fought a lion and a bear, he could fight against this giant by the power of God.
- David took his staff, sling, and five stones. When David used his sling against Goliath, he fell down and died.

QUESTIONS YOU CAN ASK ME

What does the Bible say:

- How big was Goliath?
- What were his weapons like?
- What did David have that Goliath did not have?
- Who helped David win?

What does it mean:

- When David went against Goliath, did he go in the name of the Lord?
- Whose battle was it?
- Did David believe that the Lord would deliver Goliath into his hands?
- Did David praise God?

What does it mean to me:

- Who should you depend on?
- If you have something to do this week that seems impossible, what should you do? Should you try to do it alone? What would God want you to do?
- How has God showed His faithfulness to you?
- How has God helped you?
