I SAMUEL 20

Today in class I learned what the Bible says about...

# The Friendship of David and Jonathan

## I Samuel 20

- David came to Jonathan and asked him why Saul was trying to kill him. Jonathan did not know that his father was trying to kill David, but he promised him that he would find out.
- He told David to hide in the field until he came back with news. Jonathan went to a feast at his father's house, and Saul asked him why David was not there. Jonathan told him that David went to have the feast with his own family. Saul became angry and demanded that David be brought to him to be killed.
- Jonathan returned to David and told him that he should leave and hide from his father. He made a covenant with David that he should treat Jonathan with kindness and show kindness to his family.
- Then Jonathan said to David, "Go in peace, since we have both sworn in the name of the Lord, saying, 'May the LORD be between you and me, and between your descendents and my descendents, forever.'"
