

Feeding the 5,000

JOHN 6:1-14

Today in class I learned what the Bible says about...

Feeding the 5,000

John 6:1-14

- After Jesus had been teaching all day, the people were very hungry. Jesus told his disciples to give them food. The disciples said they did not have enough money to buy food for all the people.
- Andrew brought a boy to Jesus who had five barley loaves and two fish. After Jesus took the loaves and fish, He blessed them and broke them. He gave the pieces to the disciples, and they gave the pieces to the people. There was enough food to feed those thousands of people!
- When the people saw this miracle, they believed that Jesus was the Prophet that God had promised.

QUESTIONS YOU CAN ASK ME

What does the Bible say:

- What was in the boy's lunch?
- What did Jesus do with it?
- How many people did Jesus feed?
- How did the people know they had seen a miracle?

What does it mean:

- What does God like to use to perform miracles?

What does it mean to me:

- Can Jesus do miracles with the things that you share with Him?
- Can you think of a miracle that God has done for you?

MY MEMORY VERSE

"But seek first the kingdom of God and His righteousness, and all these things shall be added to you."

Matthew 6:33
